

DATA PRIVACY POLICY FOR AANI INSTANT PAYMENTS & APP

DATA PRIVACY POLICY FOR AANI INSTANT PAYMENTS & APP

ADIB, Abu Dhabi Islamic Bank P.J.S.C, is committed to protecting your privacy, whether you are an employee, customer, third party or shareholder of the Bank. This statement is applicable to all jurisdictions in which the ADIB Group operates.

The use of the Aani application ("the App") and its associated Aani services ("the Services"), that form the relationship between the Users ("you" or "your" or "ADIB accountholders" or "ADIB customers") and Al Etihad Payments Company – Sole Proprietorship L.L.C. ("AEP")

The Aani application and Aani services are powered by the Central Bank of the UAE. By enrolling for the App and the Services, you agree to ADIB sharing your information with the Central Bank of the UAE including but not limited to your name, identification detail(s) and/or document(s), contact details, account details, and transaction details. Your personal information is not processed further by ADIB to provide you with this service.

You acknowledge that your information will be stored by Aani and/or by AEP for a period stipulated by Aani and/or by AEP, or as long as required by the applicable regulations in the UAE. This information may be disclosed, by Aani and/or by AEP, to third parties within and outside UAE for regulatory requirements, statistical purposes, and other reasons in accordance with relevant laws and regulations.

Please review the terms and conditions on www.aletihadpayments.ae for more information.
