

# ADIB Personal Accounts – Key Facts Statement

ADIB Personal accounts provide a diverse range of accounts and deposit solutions to end users. This Key Facts Statement provides you with information about the product description, Shari'a structure, product key features, fees, and charges. The following accounts are governed by the General Terms and Conditions for Accounts and Islamic Banking Services ("Banking Service Agreement") and the terms and conditions of Banking Services and Tariff Board which prevail in case of any difference between them, and the key facts listed below.

Product	Product Description	Shari'a structure
<b>Current Account</b>	Current account offers you the flexibility to deposit funds, apply for cheque books, pay bills, credit salary & withdraw cash from ADIB's 700 ATMs in UAE free of charge.	<b>Qard Hasan</b> These accounts are based on the Islamic principle of Qard Hasan where the Customer, as lender deposits the lent balance in the Current Account as a benevolent loan granted to the Bank and is guaranteed by the Bank, on which no profit, any other form of return or contingent, even as a common practice, benefits is payable on the balance of the Current Account
<b>Electron Account</b>	Electron Account is a simple current account that offers you an easy-to-use demand deposit account for New to UAE Residents (UAE Residency under process).	
<b>Savings Account</b>	Savings Account is an investment account on a Mudarabah basis that allows you to safely access your funds whenever you need along with investing the available balances for the possibility of achieving profit that is distributed and deposited, if any, into the account on a quarterly basis – such account can be opened for UAE Nationals, Residents & Non-residents.	<b>Mudarabah</b> Under a Mudarabah Account, the Customer as (the "owner of funds" or "Rab-al-Maal") authorizes the Bank which accepted such authorization as the "Mudarib" to invest the Customer's funds deposited in the Account according to the terms and conditions of the Mudarabah and the achieved profit, if any, will be shared between the parties based on the pre-agreed upon Mudarabah profit sharing ratios.
<b>Ghina Savings Account</b>	Ghina Savings Account is an investment account on a Mudarabah basis that allows you to safely access your funds whenever you need along with investing the available balances for the possibility of achieving profit that is distributed and deposited, if any, into the account on a quarterly basis – such account can be opened for UAE Nationals, Residents & Non-residents. Ghina Savings Account customers can win Grand and monthly prizes, which are granted to the ADIB Ghina winners solely from ADIB's Shareholders' funds at the sole discretion of ADIB.	
<b>Ghina Salaried Account (SPA)</b>	Ghina Salaried Account is an investment account on a Mudarabah basis that allows you to safely access your funds whenever you need along with investing the available balances for the possibility of achieving profit that is distributed and deposited, if any, into the account on a quarterly basis – such account can be opened for UAE Nationals and Residents.	
<b>Short Term Investment Account (STI)</b>	Short Term Investment Account (STI) is an investment account on a Mudarabah basis that allows you to safely access your funds whenever you need along with investing the available balances of AED 10,000 and above on daily basis for the possibility of achieving profit that is distributed and deposited, if any, into the account on a monthly basis – such account can be opened for UAE Nationals, Residents & Non-residents.	

# ADIB Personal Accounts – Key Facts Statement

Product	Product Description	Shari'a structure
<b>Investment Deposit Account (TD)</b>	Investment Deposit Account (TD) is an investment account on a Mudarabah basis that allows you to invest the balances for a pre-specified period with the possibility of achieving profit that is distributed and deposited, if any, into the account by the end of such pre agreed upon period. The minimum investment amount is AED 10,000.	<b>Mudarabah</b>

# ADIB Personal Accounts – Key Facts Statement

## Profit Rate Illustration For Investment Deposit Account (TD)

Assumptions:	
Investment Amount in the calendar month	AED 100,000
Achieved Profit Rate by the End of the same calendar month	0.66%
Achieved Distributed Profit Rate by the End of the same calendar month	0.36%
Investment Risk Reserve (Should not be more than 50% of the achieved profit)	0.30%
Number of days in the month	30 days

### Calculation:

- Profit Distribution Calculation for the same calendar month = Investment Amount in the calendar month \* Achieved Distributed Profit Rate by the End of the same calendar month \* Number of days in the calendar month / 365  
Profit Distribution Calculation for the same calendar month = AED 100,000 \* 0.36%\*30/365) = AED 29.589
- \* Achieved Profit, if any, for each calendar month is calculated by the end of such month in accordance with latest terms and conditions of General Terms and Conditions for Accounts and Islamic Banking Services and the Announcement of Profit Distribution Method announced across all of the Bank's branches and at [www.adib.ae](http://www.adib.ae)
